

Top 4 Wish List Items

Our Shawnee farm location sold and the new owners are graciously letting us stay until we secure funding for our own location. We really need more space, winter-hay supply, and equipment to function.

1. **We need our forever home!** The majority of our funds are restricted, meaning we can only use them to offer counseling. If you can help in this area, we are seeking Guardian Donors who can make sizable donations to help create this reality. Please donate securely online and indicate it is for location funding. Here is the secure link: <https://www.horsesandheroes.org/donate>

2. Hay. We will go through roughly 500 bales of hay this year. That is roughly 30,000 pounds of hay! We accept dry and horse-quality brome hay or you can donate to help us buy hay. If you can help in this area please donate securely online and indicate it is for hay funding. Here is the secure link: <https://www.horsesandheroes.org/donate>

3. Gator or similar vehicle to drive clients from barn to the arena. Our current set up requires clients to walk about 1/4 mile through mud, and over uneven ground. This vehicle would make it possible for physically-challenged people to participate more fully. If you can help in this area please donate securely online and indicate it is for Gator funding. Here is the secure link: <https://www.horsesandheroes.org/donate>

4. Bobcat or similar. As you can imagine, operating a program such as ours requires heavy-duty lifting, hauling, and loading. Without the right equipment, the maintenance jobs can be daunting and even impossible. A bobcat would make our lives much easier when it comes to heavy-duty jobs. If you can help with this please donate securely online and indicate it is for Bobcat funding. Here is the secure link: <https://www.horsesandheroes.org/donate>

All donations will receive a tax receipt. If you prefer to mail us a check, the mailing address is 22052 W 66th St #207, Shawnee, KS 66226

TAX ID# 47-2064760
